

We present the ZO_loft studio

Who

ZO_loft are:

- from 2002 to december 2004: Andrea Cingoli, Paolo Emilio Bellisario
- from december 2004 to october 2007: Andrea Cingoli, Paolo Emilio Bellisario, Francesca Fontana
- from october 2007 to present: Andrea Cingoli, Paolo Emilio Bellisario, Francesca Fontana, Cristian Cellini

Our thought

With the addition of dissimilar competence, individuality and personality mixed with an ongoing research and experiences ZO_loft was born, offering a mobile, dynamic, and flexible architecture, design and urban space.

ZO_loft proposes to discover and use inexpensive and sustainable technologies and materials, while analyzing recovery and recycling processes, investigating in life-style and activities of our fellow human, providing easy marketing strategies and better understanding the differing consumption needs of the populations in general.

Planning and managing the change ZO_loft is following its aims by reinventing or hybridizing functions, contaminating or showing an apparent functional disgregation.

What we do

architecture, industrial design, interior design, technical consulting, product development and engineering, exhibitions and events setting, communication scheming, temporary performance and installations, marketing management and communication scheming, rendering and 3D modeling.
